EXECUTIVE OFFICE OF THE PRESIDENT
OFFICE OF MANAGEMENT AND BUDGET
WASHINGTON, D.C. 20503

THE DIRECTOR

November 4, 2026

Dear Tribal Leaders:

On behalf of the Office of Management and Budget (OMB), I invite you to participate in one of two Tribal consultation sessions on the proposed revisions to title 2 of the Code of Federal Regulation (CFR), as described in the recently published Notice of Proposed Rulemaking (NPRM) issued by OMB and 41 Federal agencies. OMB will hold these sessions on **Monday, November 9, 2026 (in-person in Washington, D.C.), and Tuesday, November 10, 2026 (virtual).**

The purpose of these meetings is to hear from you. This will provide you an opportunity to share your feedback on the proposed changes to 2 CFR. Participants will be allowed up to three minutes to share their views. Participants will also be welcome to submit written feedback for up to five business days following the sessions. In light of the prior 45-day public comment period and the need to complete this Government-wide rulemaking in a timely manner, OMB and agencies are conducting Tribal consultation on an expedited basis. OMB will consider the input received through earlier public comments, the consultation sessions, and timely written submissions before taking final action.

2 CFR contains OMB's guidance on administrative requirements, cost principles, and audit requirements for Federal awards. The proposed revisions aim to promote transparency, accountability, and oversight; and reduce administrative burden for both grantees and the Federal Government.

The Trump Administration remains committed to conducting regular, meaningful, and robust consultation with Tribal Nations in accordance with the principles and criteria contained in Executive Order 13175, "Consultation and Coordination with Indian Tribal Governments." We look forward to continuing to strengthen our relationship with Tribal Nations through this meaningful engagement.

To RSVP to either session, or for questions about the consultation sessions, please contact the Office of Federal Financial Management at MBX.OMB.Grants@omb.eop.gov.

Sincerely,

Russell T. Vought
Director
